Linens For the Christmas Table

Our linen section is interesting to housekeepers, as
well as those who wish to give a handsome and substan-
tial gift to a housekeeping friend; first, because of its
splendid stocks; second, by reason of some very excep-
tional values. Among them these:

BLEACHED TABLE LINEN AT \$1 YARD—Bleached
Flemish Linen, made of Courtrai flax, the finest that
grows; 71 inches wide, handsome Art Nouveau design.

BLEACHED TABLE LINEN AT 50c YARD—Grass-

and splendid wearing quality.

BLEACHED NAPKINS AT \$1.98 A DOZEN—Grass-

siveness and usefulness. The prettiest sort of corset cov-
ers can be bought for 50c and what woman ever has too
many? The flannelette skirts in white or colors with

prettily scalloped ruffles are only 50c. Night dresses at
\$1 offer an assortment of attractive designs that will meet
every taste.

THE average annual loss by fire in the United States in the past ten years has been \$200,000,000, and during the past five years it has averaged over \$250,000,000. The values represented by the fire waste would more than pay the stock dividends of all railroads. It exceeds the revenue of the National Postoffice; it is greater than the production of gold or silver.

EATS WHAT HE LIKES AFTER TAKING FREE SAMPLE

It will be welcome news to dyspeptics to learn of a remedy that, in the opinion of thousands, is an absolute cure for indigestion and all forms of stomach trouble, and, better still, it is guaranteed to do so. The remedy is Dr. Caldwell's Syrup Pepsin. We all know the value of pure pepsin in indigestion, and add to this some exceptional laxative ingredients and you have a truly wonderful remedy. Mr. T. W. Worthy of Forsythe, Ga., got to the point where he could not even eat or digest vegetables and after many years of seeking he found the cure in Dr. Caldwell's Syrup Pepsin. Mr. Rudy Kasner of Moline, Ill., was in the same bad predicament with his stomach, took Syrup Pepsin and is now cured. Hundreds of others would gladly testify. It is a guaranteed cure for indigestion, constipation, biliousness, headaches, gas on the stomach and similar complaints. A bottle can be had at any drug store for fifty cents or a dollar, but if you wish to make a test of it first send your address to Dr. Caldwell and he will supply a free sample bottle, sent direct to your address. You will soon admit that you have found something to replace salts, cathartics, breath perfumes and other temporary reliefs. Syrup Pepsin will cure you permanently. Dr. Caldwell does not feel that the purchase of his remedy ends his obligation. He has specialized in stomach, liver and bowel diseases for over forty years and will be pleased to give the reader any advice on the subject free of charge. All are welcome to write him. Whether for the medical advice or the free sample address him Dr. W. B. Caldwell, 541 Caldwell building, Monticello, Ill.

AWFUL PAINS FULLY DESCRIBED

A Lady of Pizarro Tells Story of Awful Suffering That Cardui Finally Relieved.

Pizarro, Va.—"I suffered for several years," writes Mrs. Dorna A. Smith, "with that awful backache and the bearing down sensations, so fully described in your book."

"I tried doctors and other medicines and found little relief, until I was induced to try Wine of Cardui, when I found instant relief and today I can heartily recommend Cardui to all suffering women and think there is no other as good."

In some instances, Cardui gives instant relief; in others, it may take a little time. But in all cases of female trouble Cardui can be depended on to be of benefit, as it is a specific remedy for women and acts in a curative way on the womanly organs.

As a general tonic for women, to build up your strength, improve your appetite, bring back rosy cheeks and make you look and feel young and happy, nothing you can find will do so much for you as Cardui.

A Poor Weak Woman

As she is termed, will endure bravely and patiently agonies which a strong man would give way under. The fact is women are more patient than they ought to be under such troubles.

Every woman ought to know that she may obtain the most experienced medical advice free of charge and in absolute confidence and privacy by writing to the World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y. Dr. Pierce has been chief consulting physician of the Invalids' Hotel and Surgical Institute, of Buffalo, N. Y., for many years and has had a wider practical experience in the treatment of women's diseases than any other physician in this country. His medicines are world-famous for their astonishing efficacy.

The most perfect remedy ever devised for weak and delicate women is Dr. Pierce's Favorite Prescription. IT MAKES WEAK WOMEN STRONG, SICK WOMEN WELL.

The many and varied symptoms of woman's peculiar ailments are fully set forth in Plain English in the People's Medical Adviser (1006 pages), a newly revised and up-to-date Edition of which, cloth-bound, will be mailed free on receipt of 31 one-cent stamps to pay cost of mailing only. YULETIDE INSPIRATION

Our big-hearted Mayor, J. W. Lee, has in mind the joys that come to those who are thoughtful of the injunction, "That he that giveth to the poor lendeth to the Lord," and in accordance with this yuletide inspiration has decided to give as a Christmas present a \$6 overcoat to the poorest and worthy boy from 5 to 8 years old in the city. He has not yet decided how the award will be made, probably by a Committee of ladies, but that is a matter that can be arranged later. The overcoat is first-class and of best quality and may be seen in the show-window of his business place, corner of Second and Market. Who will be the next to suggest and fulfill some idea that will bring joy and happiness to some poor family Christmas morning?

WILL POOL 1911 CROP

Big Burley Meeting at Lexington Decides to Again Unite For Common Protection

Yesterday at Lexington the Burley Tobacco growers took the first definite steps toward forming an organization since the failure of the Burley Tobacco Society's 1910 pool. The Committee reported as follows:

First—That we recommend the pooling of the 1911 crop, and in the same contract cut out the 1912 crop; that all counties in the Burley District are requested to send delegates to Lexington on the fifth day of January, 1911, to devise ways and means to bring about this end. For the purpose of strengthening the 1911 pool we also recommend to the addition to the 1911 pool any other unsold tobacco on hand.

Second—We favor county organization and home rule.

Third—We favor a reasonable per cent. contract.

Fourth—We favor a separate organization and recommend co-operation with similar tobacco organizations.

Fifth—We recommend that June W. Gayle, Judge B. F. Hill and Hon. H. M. Froman be appointed a committee to take up the question of organization and confer with other similar organizations and report at the meeting on January 5th, 1911.

Gus A. Brooks of Mason county, formerly Secretary of the Burley Tobacco Society, was elected Secretary of the meeting.

TURKEY THIEVES

Sunday night thieves visited the barn-yard of Jake Kubel, who resides on the Fleming pike, a few miles on the outskirts of the city, and stole five turkeys and a number of chickens. Besides it being a felony it was a decidedly mean transaction, especially as Christmas is so near at hand.

RECOVERED AND RETURNED HOME

Israel Vance, who escaped death by a margin, and whose companion, William Kennedy, was ground to pieces 'neath the wheels of the C. and O. 5:30 paper train at the foot of Market street some weeks ago, and since which time he has been a patient in Wilson Hospital—where he received the best of surgical and medical attention—was able to leave the Hospital and return to his home in Lewis county Saturday. Will be profit by experience and in future refrain from attempting to board and beat his way on a moving train—especially while under the influence of liquor?

WOMEN'S WOES.

Maysville Women Are Finding Relief at Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people in this locality.

Mrs. Etta Carson, Front street, Vanceburg, Ky., says:

"My kidneys were disordered for several years and I suffered from attacks of lumbago. My back ached intensely and the kidney secretions were profuse at times, while at others, scanty and distressing in passages. If I attempted to stoop, sharp twinges darted through my kidneys and often I became very weak. I finally began taking Doan's Kidney Pills and they proved of benefit in every way. I know of other persons who have used Doan's Kidney Pills with satisfactory results."

For sale by all dealers. Price 50 cents. Foster-McLurg Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—take no other.

TO PROTECT THE GIRL WAS HIS OBJECT

William Nanz of this city was arrested in Cincinnati Sunday morning for taking sixteen-year-old Laura Kruse to the Hoerner Hotel and registering as man and wife. Nanz says his object was to protect the girl from mistreatment received at home; that he intended to send her to the home of his aunt in this city, where she would be cared for until old enough to be married to Nanz. Both declared there had been no indiscretion beyond registering as man and wife. Nanz told the Juvenile Officer that he knew Mayor Lee of this city and suggested that he call him up. The Mayor being interrogated over the phone replied that he knew Nanz and from his knowledge he appeared to be a very decent fellow. He was asked if he thought Nanz would appear for trial if let out on bond, and replied that he thought so, providing the charge against him was not serious. The facts were communicated to Chief Probation Officer Emerson, and he ordered Nanz released on his own recognizance, pending the hearing Saturday. The Times-Star of last night contained a full account of the affair, from which is gathered that the Cincinnati officers think there is very little in the case.

AMERICAN TOBACCO COMPANY

The American Tobacco Company began the season's operations yesterday on a large scale, with 200 men and women employed at good wages. Manager George R. Parker is pushing things up at the big plant with his usual energy and one of the immense redrying machines is now working and turning out about 70,000 pounds of cured tobacco per day. The American Tobacco Company's plant is a big thing for Maysville and her people.
